

# double BOOKED

1

Scary and creepy, dipped my toes into the horror realm with tension and may include supernatural content.

2

Excellent atmosphere and horror elements that made me keep my nightlight on. Unexplained sounds and descriptions that made me jump.

3

I checked under the bed and may not be able to be in the house alone while reading.

4

Full body chills. I left my bedroom light on. May be dark psychological and left me questioning my reality. Scenes will be graphic and detailed.

5

Frightening doesn't just describe it. I felt it. Unsettling and disturbing. Generally includes extreme gore and violence, triggering content. Strong stomach suggested.
