

double BOOKED

1

Someone else may enjoy this, I am not a fan and this may be a DNF. Would like to get my time back.

2

This was a book I didn't connect with or may never recommend. Just meh. I may have struggled to finish the book.

3

This book is enjoyable. It may be the perfect palate cleaner. Good times were had.

4

The book was enjoyable from the start. Gave me all the feels and would recommend. Surpassed expectations.

5

The story and characters live rent free in my head long after I finished the book. Everyone needs to read this. I would reread. Obsessed and highly recommend, book hangover guaranteed.
